CHURCHVIEW ST JOHNS ZINFANDEL 2017

Was a tough vintage, with above average spring rains and heavy down-pours in February and March making grape growing challenging. The day before we harvest all fruit not deemed good enough is removed from the vine by our team of highly trained viticulturists.

The next day 40 hand-pickers come out and all remaining fruit is selected for ripeness and then harvested. Every single picking bin is then inspected in the vineyard by the winemaker to ensure adequate ripeness and sanitation. Zinfandel is a difficult variety to grow, and these selection techniques are vital for the future quality of the wine. The Zinfandel harvest was the smallest ever at Churchview, with only 40% of the typical crop being hand selected by the harvest crew before being sorted again at the winery.

TASTING NOTES

COLOUR
Deep ruby

AROMA
An elegant, concentrated and powerful Zinfandel. Lifted aromas of rose petals, musk sticks black cherries vanilla beans, cedar and mixed spice. A layered and expressive nose.

FLAVOUR
A rich, soft, rounded Zinfandel. Ripe cherry, plums, chocolate lead the way with the florals and confectionery notes to follow. Wonderful balance of fruit and oak complexity. Long soft finish.

TECHNICAL DETAILS

Alc 16%
pH 3.68
