## LA CAVE DU VIEIL ARMAND ALSACE GEWURZTRAMINER 2012

In 1958, growers of Vieil Armand hills decided to give new impetus to the wine industry in southern Alsace and, working together, have created The Old Armand Cave .

Today, this one has nearly a hundred winegrowers who operate a total area of approximately 140 ha on common stretching over the hills of Old Armand in Cernay townships, Sultz and Guebwiller. The grapes of this wine exclusively from the vineyard plots in the city of SOULTZ.

## TASTING NOTES

Yellow Clear. Open on very floral notes like jasmine and violet fruit with small touches of passion. The attack is supple with a lovely freshness that makes room for a mid-palate with exotic fruit flavors.
