VILLA SANDI CORPORE MERLOT CABERNET FRANC

Devoted to wine culture for many generations, the Moretti Polegato family, owner of the Villa, have fostered this ancient tradition by making Villa Sandi the headquarters of the winery, and by promoting grape growing in the area on a modern basis. Giancarlo Moretti Polegato, who is very fond and knowledgeable of the wine world, is very proud to carry on the family tradition.

TASTING NOTES

COLOUR

Intensely strong and deep ruby red with bright garnet red glints.

BOUQUET

Full and complex to the nose with a fruity, flower and spicy fragrance. Hints of blackberry and raspberry jam, mature rose, leather, freshly ploughed earth, pepper and cinnamon.

FLAVOUR

The attack is full and warm. The soft, round tannins can be perceived and together with the robust structure maintain the complex persistent flavour, while the finish is all-encompassing and warm.
