CHATEAU MUSAR JEUNE RED 2014

Chateau Musar first started producing the Musar Jeune range of wines in 2006 from the fruit of low-yielding Bekaa Valley vines at around 1,000 metres above sea level. Altitude keeps the average temperature at 25 degrees Celsius with hot sunny days and cool nights and with 300 days of sunshine a year, grapes are ripened to perfection.

Unoaked and made according to Musar's natural non-interventionist winemaking philosophy, Musar Jeune wines are vibrantly fruity, richly concentrated and this vintage is no exception.

GRAPES AND VINES

Made from the fruit of Cinsault, Cabernet Sauvignon and Syrah, vines planted since 2000 at around 1,000m above sea level in the Bekaa Valley.

TASTING NOTES

Musar Jeune Red is an unoaked blend of Cinsault, Syrah and Cabernet Sauvignon from youthful Bekaa Valley vines. Meant for current consumption – within a few years of the harvest – this deeply-coloured, vividly fruity style, first produced in 2007, may yet prove to be a 'keeper'. Inky-dark, silky-textured and aromatic, with blackcurrant, raspberry and cherry jam flavours and a warm, spicy finish, it has been likened to a fine Roussillon red.

TECHNICAL DETAILS

Grape Variety : 45% Cinsault
45% Syrah
10% Cabernet Sauvignon

Alc./Vol. : 14%

Serving Temperature : 16-18°C
